Sri H. SIDDAVEERAPPA.—May I know so far as the Hon'ble Minister was pleased to state that this subject will not come up before the Board, does not this proposal involve any financial commitment to the Board ? If so, can the General Manager take a decision by himself committing the Corporation to some financial expenditure ?

Sri MOHAMED ALI.—This question will come up before the Corporation when we provide amount in the Budget.

Sri H. SIDDAVEERAPPA.—It is an autonomous body. How can he initiate before a decision is taken, for locating the workshop or whatever it is, at Davangere ? Land is required for a particular purpose. Has the autonomous Board taken any decision with regard to the location of that workshop in Davangere ?

Sri MOHAMED ALI.—The proposal was made by experts in the Department. I can only say as yet there is no commitment on the part of the Board.

Mr. SPEAKER.—The hon. memberwill kindly remember that day to-day working does not really come in here. It relates to an autonomous body. I said on a prior occasion this has been discussed. What the reply given is that it is too early and nothing definite has been done, not even notification has been issued. He has assured that he will do all that is necessary. So, it is still premature.

Sri H. SIDDAVEERAPPA.—Will the Government be pleased to assure this House that before a final decision is taken on the heavy commitment, as reported by the Tahasildar or the Acquisition Officer, involving a sum of about Rs. 17 lakhs, you will take into consideration the need for acquiring that land ?

Sri MOHAMED ALI.—The need is there. I have already assured that the Corporation will not be unbusinesslike in this deal.
